

ROLLIN PATRICK : SHORT CV (JUNE 2018)

ICOA – UMR 7311 / Université d'Orléans, France

ACADEMIC RANK : Emeritus Professor (PRCE1)

OFFICE ADDRESS: ICOA, University of Orléans, BP 6759, F-456067 Orléans Cedex 2 (France) Phone: +33 (0)238 417 370 / Cell: +33 (0)616 664 371 / Fax+33 (0)238 417 281

e-mail: patrick.rollin@univ-orleans.fr - ORCID 0000-0001-5951-9614

Academic itinerary

2005- E Class Professor of Organic Chemistry, University of Orléans
1995-2005 1st Class Professor of Organic Chemistry, University of Orléans
1991-1995 2nd Class Professor of Organic Chemistry, University of Orléans
1991-2004 Director of the IUP de Chimie Appliquée (University School of Applied Chemistry), University of Orléans
Eleven years (1975-1986) in Prof. Pierre Sinay's group; started his own group in 1987

Prime interests in Chemistry

- * Thiochemistry of sugars and chemistry of thio-sugars
- * Use of uncommon thio-functions in regio- and stereocontrolled glycochemistry
- * Phytochemistry. The order Brassicales: glucosinolates and sulfur-containing metabolites
- * Glycerol chemistry. Integrated valorization of regrowing resources and bio-products

Miscellaneous

France's elected representative in the European Carbohydrate Organisation (2003-2009)
Member of the French National Council of the Universities - Commission 32 (2004-2007)
Officer in the Order of Palmes Académiques
Scientist in the Expert Commission for Regrowing Resources projects in Région Picardie (2007-)
Member of the College of Reviewers for the Canada Research Chairs (2004-
Registered in the Albo dei Revisori of the Italian MIUR (2003-
Member of the Editorial Board of *Journal of Carbohydrate Chemistry* (Marcel Dekker Ed.) 1993-1997
Member of the Editorial Advisory Board of *Letters in Organic Chemistry* (Bentham Publishers) 2003-2015).
Member of the Editorial Board of *Open Org. Chem. J.*, *Open Inorg. Chem. J.*, *Open Process Chem. J.* (Bentham Publishers) 2007- and *Mini-Reviews Org. Chem.* (Bentham Publishers) 2016-

Publications (including 4 patents) in Chemistry : 235

Invited lectures : 104 / Oral communications and posters : ca. 400
